

SOCKIT!®

ORAL HYDROGEL WOUND DRESSING

Experience the
Power of the
Sockit!
ORDER TODAY

Sockit! consists entirely of food ingredients, with no artificial constituents. Sockit! contains aloe vera, mannose polysaccharides, xylitol and a tiny amount of essential oils (oil of clove, oil of thyme and oil of cinnamon). The proprietary means by which Sockit! is compounded and manufactured is as important to its efficacy as are the ingredients themselves.
